Empowering **CHANGE**makers

- **Mission:** Philanthropy Tank empowers and inspires the next generation of **CHANGE**makers by challenging and equipping students to implement sustainable service-driven solutions to problems impacting Baltimore City.
- **Program Model:** Student participants in grades 8-11th have the opportunity to receive funding up to \$15,000, access to mentors who have relevant industry experience that help guide project execution, as well as monthly workshops to develop skills in areas such as community development and leadership.
- **Impact:** Over \$150,000 has been distributed to 14 student projects since 2021 that have addressed issues such as education, workforce development, and violence prevention, just to name a few.

# Your Sponsorship Empowers Youth Leaders Like Isiah, Jerrell, and Jordan

## And Leaders Like Anaya

- Who is a Sophomore at Saint Frances Academy, and is part of our second cohort of six student project initiatives
- Her project is *Back to Werk*, which aims to help women who are unemployed by improving their career paths by providing makeovers and seminars on resume writing and job interviewing
- Anaya's project hits close to home, as her mother used to work three jobs to support her family
- **Your support** will help students like Anaya, who is planning to assist 100 women with finding gainful employment

# The Opportunity

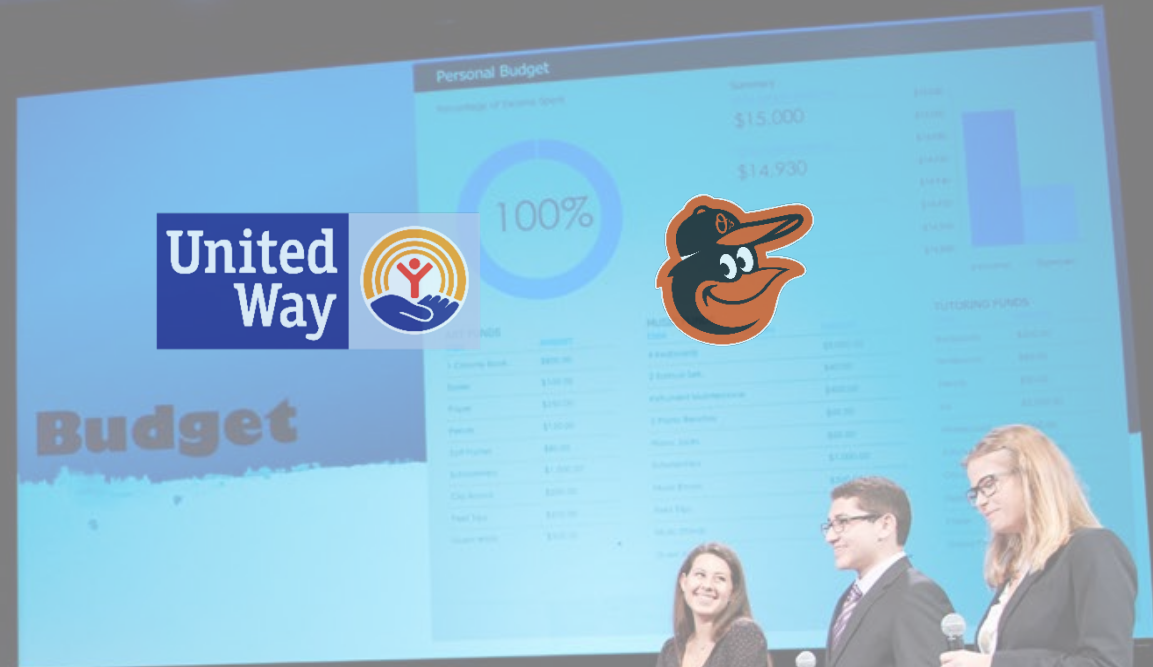

- **Philanthropy Tank's 3<sup>rd</sup> Annual Student Finals Event**
- **Date: June 14th 6:00-9:00 pm EST**
- **Location: Double Tree by Hilton, Pikesville**
- **The Finals Event will be live in person for the first time in Philanthropy Tank Baltimore's History**
- **This event will bring together over 200 local business and nonprofit leaders with opportunities to connect for networking, all while highlighting your company's commitment to supporting transformation in Baltimore City**
